***Sherlock Holmes**
Consulting Detective

Deck Size: 30.

Deckbuilding Options: Seeker cards Level 0-5, Rogue cards Level 0-2, Neutral cards level 0-5.

Deckbuilding Requirements (do not count toward deck size): Spy Network, Opium Addiction, 1 random basic weakness.

Sherlock Holmes is the world's only consulting detective, a profession he created for himself. He is based in London and often consulted by Greg Lestrade of New Scotland Yard, usually taking his best friend and former flatmate, John Watson, on cases. He has a keen interest in unusual or bizarre crimes, without which he rapidly becomes bored, relying on nicotine to keep his brain active, although in the past he has dabbled in illegal drugs such as opium for entertainment.

After you succeed at a skill test by 2 or more while investigating: Discover 1 additional clue at your location.

effect: +2. You may instead choose to automatically fail this skill test and gain 2 resources.

Illustration of Jim Moriarty, a Consulting Criminal, in a red coat and top hat, holding a cane. The card is titled "Jim Moriarty" and "Consulting Criminal". It features a "Swastika" symbol in the top right corner. The card text includes:

Artist: You may take an additional action during your turn, which can only be used to draw a resource.

★ effect: +1 for each resource you have.

Deck Size: 30.

Deckbuilding Options: Rogue cards ♠ Level 0-5, Seeker cards ♣ level 0-2, Neutral cards level 0-5.

Deckbuilding Requirements (do not count toward deck size): Sebastian Moran, The Final Problem, 1 random basic weakness.

Jim Moriarty is the world's only consulting criminal, a profession he created for himself. Over many years, he developed his skills at criminal activities and went on to create a large criminal organisation which would stretch across the whole globe. Moriarty has acted as a sponsor, an informant and a mastermind. He is shown to have an interest in Sherlock Holmes that borders on obsession. In his operations, there is never any direct contact between Moriarty and his clients.

You may take an additional action this turn: This may only be used to perform a **Fight** action against an enemy at your location.

★ effect: +2. If you succeed, place 2 ammo (from the token pool) on a **Weapon** asset under your control.

"I'm an army doctor, which means I could break every bone in your body while naming them".

Deck Size: 30.

Deckbuilding Options: Guardian cards ♠ Level 0-5, Seeker cards ♣ level 0-2, Neutral cards level 0-5.

Deckbuilding Requirements (do not count toward deck size): Inspector Lestrade, Memories of War, 1 random basic weakness.

John Watson is a medical doctor, formerly in the British Army. He was married to Mary Watson and is arguably the only friend and confidant of Sherlock Holmes. Whilst John Watson does not have Sherlock Holmes's insight he does serve as a foil to him. The ordinary man against the brilliant, emotionally-detached analytical machine. John Watson is well aware of both the limits of his abilities and Holmes' reliance on him.
