The image displays a collection of game cards from 'The Snowman' board game, arranged in a 2x4 grid. The cards are designed with a vintage, storybook-like aesthetic. The top row features three 'Snow Covered Street' location cards, each with a different illustration of a snowy street scene. The bottom row features three 'Snowman' character cards, each with a different illustration of the Snowman. The cards are arranged in a way that shows the progression of the game, from the initial location to the character's actions. The cards are labeled with 'LOCATION' and 'Street' at the bottom, and 'Snowman' at the top. The cards are numbered 1 through 4, indicating their sequence in the game. The cards are also labeled with 'Snow Covered Street' and 'Snowman' at the bottom, indicating the location and character associated with each card.
